## 4 ADVANTAGES & DISADVANTAGES

This accessibility enhances education, research, and problem-solving capabilities. Communication: Technology has revolutionized communication, enabling people to connect instantly across vast distances through emails, messaging apps, social media, etc.

Technology exists in everyone's life in some way or the other. Life is impossible without technology as everyone is dependent on it.

Technology is something that helps meet the requirements and needs of humans. It is not at all complex but helps makes life easier. With the changing time requirements of the people have also changed further technology has also evolved with time. For example, earlier people use to make food on wood or gas stoves.

## 5 APPLICATIONS

### Techpro solutions

## 6 CONCLUSION

Now a days technology related processing different area and different location used to situated at our interesting concept that means technology covered into areawise occupied

## 7 FUTURE SCOPE

Technology is various content changed by year to year therefore customers awareness program or awareness study to improve in our life style of technology
